SMOKE FREE POLICY

Aveley Junior Football Club recognises that passive smoking (inhaling second-hand smoke) is hazardous to health and that non-smokers should be protected from tobacco smoke. Passive smoking can lead to other serious illnesses such as bronchitis, lung cancer, cardiovascular disease, and chest illnesses in children. Accordingly the following policy has been developed by Aveley Junior Football Club to help protect people's health.

Legislation and the legal duty of care are pertinent reasons to adopt a SmokeFree club. The move to go SmokeFree also complements the Clubs desire to create a healthy family friendly environment. The Club believes that such an environment and image will be advantageous in attracting new members and positively promoting the club in the community. The Occupational Health and Safety Act stipulates that employees and working volunteers must have a safe environment to work in. The Club has a also legal duty of care to ensure volunteers, players and officials are not exposed to potentially harmful situations. WA Smoking regulations state that smoking is prohibited in enclosed public spaces, sporting clubs and playgrounds.

This policy applies to all members, administrators, officials, coaches, players and visitors of Aveley Junior Football Club.

DESIGNATED SMOKE FREE AREAS
