Aveley JFC
Mods Coach/ Assistant Coach/ Team Manager Application Form - 2023 Season

The Aveley Junior Football Club is committed to creating an environment where the players can enjoy themselves, learn to play football, develop skills, and have fun with their friends. The club promotes the values of respecting team mates, other players, coaches, officials, volunteers and all spectators. We encourage all players, sportsmanship, teamwork and fair play, and discourage unacceptable behaviour. This extends to all members of the AJFC.

To enable AJFC to continue to promote the above, all coaches must provide an environment where players can continually develop their skills, allow them to enjoy themselves, maximise game and training participation, and follow the AJFC Code of Conduct. Coaches must ensure that everyone is given the same opportunity to play in all positions on the ground, no matter the ability, and to spread game time evenly throughout the playing group.

Coaches are expected to keep record of player rotations and positions played and will be asked to supply them to the Coach Co-Ordinator when requested. This is to ensure all players are having equal playing time and equal time in all positions on the field.

The focus of the Coach's and Manager is the development of our players, and not winning at all costs. While important to learn about winning and losing, the main aim is to develop and encourage our players to play to the best of their ability.

Coaches must be committed to keeping their accreditation current and attending sessions to help develop their skills, and Level 1 accreditation is a minimum requirement, in line with the year level that is to be coached. Coaches will be asked to abide by the Spirit of Junior Football and By-Laws when obtaining accreditation.

Throughout the season, AJFC is asked to attend various events including Information days, Gala days, Parade days, Coaching sessions & Fundraising events outside of the outlined training and game days. AJFC requires the support of Coaches and Team Managers to attend, and to encourage members to attend these events when they arise.

Finally, enjoy the season, the good times and bad on/off the field, and remember that we are here for our kids!!
